Garden Therapy at Ellis Nursing & Rehabilitation Center

Norwood Evening Garden Club members (L to R) Jay Rando, Kathleen Pellegrini, Joy Grinavic and Vija Lincas assist Allen Baker, resident of Ellis Nursing and Rehabilitation Center and a long-time member of the garden club with a fall arrangement for his room. Members of the garden club help residents of the Ellis make seasonal arrangements several times a year as part of its garden therapy initiative.

A member of The Garden Club Federation of Massachusetts, New England Region, and National Garden Clubs, Inc., members of the Norwood Evening Garden Club have been providing education and public beautification in Norwood and its surrounding communities since 1996. The Club, open to novice and expert gardeners, draws its members from Norwood, Walpole, Westwood, Dedham, Medfield, Randolph,

and Stoughton. For information about the Norwood Evening Garden Club, contact Susan Pearson at 508-668-4039 or visit www.NorwoodEveningGardenClub.com.
